The  
**CU24<sup>SM</sup> Visa  
Debit Card:**

Where on Earth  
can't you use it?

## Introducing...

### The ATM card that works like a check wherever Visa debit is accepted

Wouldn't it be great if your ATM card could do even *more* for you? What if it allowed you to charge purchases against your credit union share or share draft account? That's the idea behind the CU24<sup>sm</sup> Visa<sup>®</sup> Debit Card!

### Use the card instead of a check all over the globe

Where checks aren't accepted – such as restaurants and gas stations – or when you don't want to carry your checkbook, use your CU24<sup>sm</sup> Visa Debit Card instead! Wherever you see the Visa Debit, NYCE<sup>®</sup>, or PLUS<sup>®</sup> network symbols, simply present your card, and the amount of your purchase will be deducted automatically from your credit union share or share draft account.

### Get cash worldwide

The CU24<sup>sm</sup> Visa Debit Card is your ticket to instant cash! At thousands of ATMs worldwide, you can use the card to make withdrawals from your credit union share and share draft accounts. Use the card to transfer funds between accounts and check balances at the ATM, too.

### Surcharge Free!

There is an alliance of Maine credit unions who offer surcharge-free terminals. Just look for the SURF logo on credit union ATMs.
