

Once you have a CU24sm card,
you'll wonder how you ever got
along without it!

Get Cash . . .

You can use your credit union ATM card
to get cash from your share or share draft
account at thousands of locations
throughout the United States.

Check Your Balance . . .

Within seconds you can perform a
balance inquiry to determine the balance
in your account. Remember, the balance
will not reflect checks that are outstanding
and may not reflect deposits made to your
account the day of your inquiry.

Surcharge Free!

There is an alliance of Maine credit
unions who offer surcharge-free terminals.
Just look for the SURF logo on credit
union ATMs.
